Silverton, OR USA

The Power of Stillness

Discover a quiet peace:

- that brings rest and healing
- that helps find a deep-settled calm
- that cannot be disrupted by fear

This *one-hour inspirational talk* will be divided into three 20-minute segments:

the first at: the second at: the third at:

1:30 2:30 3:30

Ms. Snorek-Yates received her Master's degree from the World Learning Institute where she studied peacebuilding and sustainability. She has spoken to audiences throughout Africa, Europe, Canada, and the US and is a member of the Christian Science Board of Lectureship.

Organ Recital

Hear works by:

- Couperin and Reincken
- Bach and Buxtehude
- Mendelssohn and Brahms

This *one-hour concert* will be divided into three 20-minute segments:

the first at: the second at: the third at:

1:00 2:00 3:00

Mr. Wicks holds Masters of Music degrees in organ performance, University of Oregon; and in composition, University of Montreal. His works have been extensively performed and published. He plays at Emmanuel Presbyterian Church in West Linn.
