

An Evening of Fellowship & Spiritual Music

Alex Cook In Concert Let there be light

Come hear insightful, funny, and graceful spiritual music

“An Alex Cook concert is not to be missed! He has an amazing way of zeroing in on universal prayers and questions that we all have, and writing songs which quickly go to the core of inspiring answers. Alex’s songs are upbeat and full of humor at one moment and gentle and soulfully touching the next.”

-Susan Mack, St. Louis, MO
